

Suggested Questions for Questionnaire (IT21809088)

Awareness & Motivation

- 1) How aware are you of the environment issues affecting coastal areas?
- 2) What motivates you to participate in coastal cleanup activities?
- 3) How likely are you to join a beach cleanup if it were organized near your area?

Involvement & Participation

- 4) Have you participated in any beach cleanup activities before? If yes, how frequently?
- 5) What factors would encourage or discourage you from participating in a beach cleanup event?
- 6) How do you prefer to receive information about upcoming beach cleanups? (social media, email, app, etc.)

Competitions & Incentives

- 7) Would you be more interested in participating in a beach cleanup if it were structured as a competition?
- 8) What types of rewards or incentives would motivate you to participate in a beach cleanup competition?
- 9) How important is it to you that beach cleanups are fun and engaging, rather than just task-oriented?

Technology & App Features

- 10) How comfortable are you using mobile apps to coordinate and participate in events?
- 11) What features would you find more useful in an app designed to organize and promote beach cleanups?
- 12) How interested are you in reading or contributing to blogs and discussions related to environmental conservation within the app?

Community & Impact

- 13) How important is community involvement in environmental conservation efforts to you?
- 14) How do you believe local businesses and sponsors should be involved in beach cleanup activities?
- 15) What impact do you think beach cleanups have on your local community and environment?

Communication & Feedback

- 16) How would you prefer to provide feedback or suggestions to the organizers of beach cleanups?
- 17) How often would you like to be updated on the progress and impact of the beach cleanups you participate in?

Sponsorship & Funding

- 18) what type of recognition or visibility would you expect from supporting a beach cleanup?
- 19) What types of environmental initiatives do you prioritize for sponsorship?
- 20) What motivates you to sponsor coastal cleanup activities?

Personal Experience & Background

- 21) How does your background influence your view on coastal conservation?
- 22) What specific concerns do you have about the coastal environment in your area?
